

# Tour of Untimely Departures

5 to 9 p.m.  
Saturday, Oct. 29

Celebrate Halloween weekend at Metro's historic Lone Fir Cemetery in Southeast Portland.

Ghostly guides escort groups of guests on one of two candle-lit routes where they meet some of the cemetery's residents and hear the unusual circumstances surrounding their untimely departures.

Ticket sales will go toward restoring the tomb of pioneering brewer brothers George Frederic Bottler and George Michael Bottler.

Please note that dogs are not permitted on cemetery grounds at any time. The tour is fun and informative for the whole family but will contain some mature content (though no blood or gore). Of course, costumes are encouraged!
